Lockers

Our A Series Locker Is Our Most Popular Locker Model.

It is available with many doors and size combinations for use with smaller items to large equipment.

It arrives to you fully assembled and is available in 25 colors.

Durable Plastic Standard Lockers In Australia

Our heavy-duty polyethylene (HDPE) made lockers are built to last. Wide enough to store a backpack or motorbike helmet, these ergonomic lockers come with a 15-year warranty.

Our lockers have the option to add additional shelves to divide the locker internally, allowing users to organise and secure heavy backpacks, office essentials, daily electronic gadgets, sports equipment, musical assets, or other items.
