For Schools & Business

FSP America is the designer, manufacturer and distributor of a variety of high-quality polyethylene and polyurethane products, including the very popular **Cool Lockers® lockers.**

Cool Lockers® lockers are based on a simple modular system that allows you incredible flexibility. You can choose different body base sizes / footprints.

Choose different sized doors and different door colors in the same locker bank or within a single locker body.

Our locker range is featured in this booklet.

Introducing

Look at all these outstanding benefits ...

Cool Lockers® have unique advantages over lockers made from other materials such as timber and metal. They are designed to last and to keep looking good in all environments. Cool Lockers® are easy to clean - simply hose them out.

- ▶ **Cool Lockers®** are made of heavy-duty polyethylene with a high-grade stainless steel hinge - so they are perfect for wet areas, coastal locations and the outdoors
- ▶ UV stabilised with a **HUGE** range of anti-fade colors to choose from
- ▶ Lightweight and stackable so they are easy to move and install
- ▶ Quieter than metal or timber lockers, no banging doors
- ▶ **No painting required!**
- ▶ Easy to clean and lowest maintenance. Just hose them out!
- ▶ Proven strength and durability - backed by our 15 year warranty.
- ▶ Graffiti is easier to remove
- ▶ Smooth Corners - No more sharp edges

Build your Cool Lockers® Your Way

The **Cool Lockers®** system is based on a simple modular system that allows you incredible flexibility. Choose your locker body - then your locker height - finally how many doors.

Create your own unique locker installation in three simple steps:

1

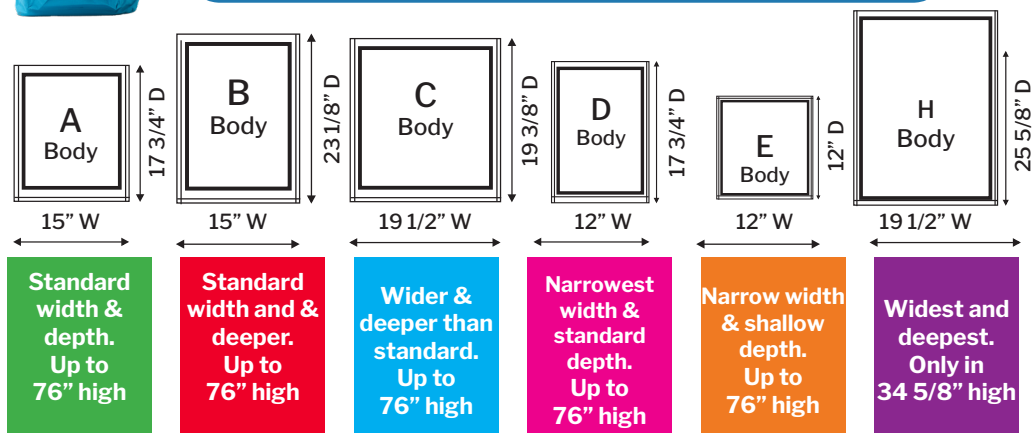

Choose Oz Loka® Locker Body

Select from 6 different locker body sizes - A series (standard), B series (deeper unit), C series (wide unit), D series (narrowest unit), E series (smallest) and New H series (widest and deepest).

Not all bodies available in 9 different heights (step 2)

Cool Lockers® Base Sizes

International Patent No. 1050325

Slight size variation may occur due to manufacturing process. Speak to a sales consultant for more information.

9

► **Orders & Enquiries 082 808 5251** | sales@fspamerica.us | www.fspamerica.us

2

Choose Cool Lockers® Height

- Choose 1 - 9 different locker heights.
- Height ranging from 9 7/8" to 76".

Height	Hinges
9 7/8"	1
18 3/8"	2
26 3/8"	3
34 5/8"	4
43"	5
51 1/4"	6
59 1/2"	7
67 3/4"	8
76"	9

**9 LOCKER
HEIGHTS TO
